Re: C00075820 - March Monthly Report (2/1/98-2/28/98)

Dear Mr. Gibson:

Your letter dated June 11, 1998 stated that our June 4, 1998 response to Mr. Richard Ng is incomplete because we failed to clarify all expenditures that were made for media production on schedule H4 of the above mentioned report.

In fact, our response did include the necessary explanation regarding these expenditures, (see attached). In order to provide the most complete record, Mr. Ng has suggested that we respond to your letter stating that we had been in contact with him and that the Commission agrees that the Committee has fully complied with the May 20 request for additional information.

If you have any questions or concerns please contact me at 202/479-7027.

Sincerely,

Donna M. Singleton

Re: C00075820 - December Monthly Report (11/1/97-11/30/97), Year End Report (12/1/97-12/31/97), February Monthly Report (1/1/98-1/31/98), and March Monthly Report (2/1/98-2/28/98)

Dear Mr. Ng:

Your letters dated May 19, 1998 requested clarification regarding the above mentioned reports.

- Schedule H2 of the December Monthly Report (11/1/97-11/30/97) and the Year End Report (12/1/97-12/31/97) incorrectly listed the ratio for code 313-325-381 as 5% Federal and 95% Non-Federal. The correct ratio should have been listed as 1% Federal and 99% Non-Federal as reflected in the calculations on Schedule H4. An amended Schedule H2 is enclosed for each report.

- You noted that Schedule H2 of all of the above mentioned reports, December Monthly Report (11/1/97-11/30/97), Year End Report (12/1/97-12/31/97), February Monthly Report (1/1/98-1/31/98), and March Monthly Report (2/1/98-2/28/98), listed codes which had no expenditure activity shown on Schedule H4. The NRCC has consistently listed all codes for on-going programs and multiple event formats from inception of the program through termination of the program. While some codes may have no activity for one or two months on Schedule H4, they continue to generate revenue and often have expenditure activity in subsequent reports.

- You have requested clarification regarding expenditures made for "Media Production" on Schedule H4 of the March Monthly Report (2/1/98-2/28/98). These expenditures were made in connection with the day to day operations of the NRCC studio facilities, and were not made on behalf of any specific candidates.

- You have stated that the totals listed on Lines 21(b), 21(c) and 23, Column B of the Detail Summary Page of the March Monthly Report (2/1/98-2/28/98) appear to be incorrect. We have reviewed the report as filed March 18, 1998 and as Amended April 15, 1998. The lines in question did change in the amended report, and we believe that the totals listed on that amendment are correct.

- You noted that Schedule D of the March Monthly Report (2/1/98-2/28/98) disclosed payments made to Vialog Group Communications, however, those invoices had been listed under the name Access Conference Call on Schedule D of the February Monthly Report (1/1/98-1/31/98). Access Conference Call did in fact change its name to Vialog Group Communications prior to the payments disclosed on Schedule D.

If you have any questions or concerns please contact me at 202/479-7027.

Sincerely,

Donna M. Singleton
